**THE 2010 CHICAGO FESTIVAL OF ISRAELI CINEMA:
APPLAUDING, CELEBRATING, AND SUPPORTING ISRAEL'S CULTURE AND CINEMA**

Join us in applauding, celebrating and supporting Israel at the 2010 festival, which opens with an award-winning film and gala reception on Thursday, October 21 at The Chicago Cultural Center, our new city venue. The festival continues in the city at the AMC 600, at 600 N. Michigan Ave on Saturday, October 23. Our suburban screenings open at a new venue, AMC Loews Northbrook Court on Sunday, October 24 and continue through Sunday, October 31.

The world is recognizing and applauding Israeli cinema. We are in the process of selecting films which dazzled audiences at international film festivals from South Africa, Hong Kong, Toronto, Pusan, Sao Paulo, Cannes to Tribeca, Zurich, Hamburg, Berlin, Rio de Janeiro, Winnipeg, and Jerusalem and over fifty other world centers. Our contenders have won awards at festivals all over the world.

The CFIC celebrates the multifaceted sides of Israel with stories far from the news headlines—of Israeli Sumo wrestlers, Ethiopian Hip-Hop prayers, the power of dance over age, the forces that separate brothers and bring them together, and the Israeli military through the eyes of beautiful young women. Last year, our *celebration of Israel's Cinematic achievements* was a sold out success, with almost 5,000 viewers. This year, with an abundant selection of award-winning films on subjects as varied as the human imagination, we look forward to even bigger crowds.

Presenting Israeli films not only enriches the Chicago community's appreciation of Israeli culture and society, but also supports the future of Israel's film industry as is evidenced in the rise of Israeli productions coming to the Midwest. Your generous support has played an indispensable role in the success of the CFIC, and we hope we can count on you again this year to become a sponsor. Based on level of participation, sponsors' names and logos are listed on the Chicago festival of Israeli Cinema pre-screening trailer, program, website, press releases, posters, newspaper ads, and links to other websites.

Please take a few minutes to look at the enclosed information and join us in applauding, celebrating and supporting Israel.

See you at the movies!
